ARCHI DESIGN

Commendation Award for
Design Excellence in Architecture with Steel - 2010

Certificate of Merit Awarded to

Ar. Shourya & Ar. Dexter

Vadodara

"This unique posh residential community is an amalgamation of true Indian elements with modern contemporary touch, giving it a feel of sophisticated home. Architects have developed this society with two very unique and sculptural structures that indeed stand iconically as a state-of-the-art in their Project: Vicenza Highlands Gate & Club, Vadodara."
